## SERVICE PROJECT:

### Kids Against Hunger

**The Goal is for the youth to  
prepare 100,000 meals for Kids  
Against Hunger**

Every hour of every day 12 children per minute die of starvation or malnutrition related diseases. During the time of the MYLC 19,440 children will die. How can we stop this hunger epidemic?

Kids Against Hunger is committed to serving hungry children and their families all over the world by packaging and shipping highly nutritious, life-saving meals. KAH is able to do this by mobilizing the energy and caring of American children, teens and adults on behalf of hungry children.

This is where the MYLC can have an impact! KAH will partner with the MYLC and set-up a mobile packaging site at the Conference in an attempt to package more than 100,000 meals to be distributed in Kearney, Lincoln and then throughout their distribution network.

With their energetic hands, our youth will make a difference for the children of Nebraska and the world!
