VISIONQUEST

Attitude, not Aptitude Determines Altitude

Motivation of self and others begins with attitude. Proper attitude can ignite a fire that can bring many successes to your life.

Charles Swindoll writes in his article on “Attitudes” - “The longer I live, the more I realize the impact attitude has on life. It is more important than the past, education, money, circumstances, failures, successes or what other people think and say or do.”

He continues with - “Attitude can make or break a company, church or home. The remarkable thing is, we have a choice everyday regarding the attitude we will embrace that day. We cannot change the past or how people will act in a certain way. We cannot change the inevitable. I am convinced that life is 10% what happens to me and 90 % how I react to it.”

“We are in charge of our attitudes” according to Martin Seligman’s book Learned Optimism. “Hundreds of studies have shown that those individuals with a positive optimistic attitude do better in college, at work, on the playing field. Their health is usually good, they live longer, they age well, and they pass predictions on aptitude tests.”

In our O. E. S. Chapters, let’s not dwell on the past, but take a positive attitude, turn it into action and see what we can do for our Chapters.

And there you have it ---
**“Attitude not Aptitude
Determines Altitude.”**

A Note About Holiday Giving:

With the season of giving now at hand, please be very careful to designate what your gifts are for—

The Grand Chapter office is now receiving gifts for School Supplies, Purple Ribbon Club, Thanksgiving Ingathering and Christmas giving for both homes as well as many other projects. Using the gray contribution form is the best way to send your donations, but **don’t forget to indicate which project you are sending funds for.** Remember the deadline for Purple Ribbon Club is December 15th. (The Grand Chapter office makes every effort to notify the Home of all gifts received by that deadline.) In order for Thanksgiving gifts to reach the homes by the Thanksgiving holiday they must be received by October 31 and for Christmas giving to reach the Homes in time for Christmas funds must be in the office by November 30. Thank you for your cooperation.

Read Nebraska!

From Merrie Edwards,
Chairman of the Read Nebraska Project

Have you earned your “Starman Pin”? Wouldn’t it be GREAT if every member in Nebraska received their pin by the 2008 Grand Chapter Session? So far 40 members earned their pin thru their participation in volunteerism. It’s not too late to get involved by reading at your library, school or home for the elderly. A reminder to Chapter Secretaries: fill out the report form with full names and brief description of how the member volunteered and send to me at the address listed at the bottom of the form. Email me at me10245@alltel.net for more forms, to answer questions or to get a list of famous Nebraska authors—fun Trivia!! Happy Reading!

Hi Ya, Eastern Stars!

Happy Harvest! Better watch out for heavy equipment on the roads! Hey! I’ve been harvesting, too. I’ve been putting away *BUCKS* (that’s dollars in human talk) so that I’ll have enough to eat this winter. I have been eating my way around Nebraska with the WGM and WGP.

Boy, the Nebraska Stars have been good to the *Steps to the Stars* Grand Family—20 wonderful Visitations, 20 grand MEALS, 20 times the fun and fellowship and *lots* of books. All Stars are *super!*

Now hear this!!! So far (Sept. 24) we have 1,444 bucks specifically given for Golden Sower books for the libraries. That’s 14% of our goal of a buck per member but we still have a way to go. Adah Chapter No. 52 and Violet Chapter No. 105 have given \$1 per member. Doesn’t your Chapter want to do that, too? More bucks means more books! Thank YOU!

We have taken 25 boxes of books to both the Fremont and Plattsmouth Homes and two boxes to a Shriners’ Hospital. It averages about 25-30 books per box. Whoa! That’s a lot of books.

I keep hearing the WGM say “Share your Star!” It sounds like a good idea to me. She says *all* chapters that initiate will be recognized at Grand Chapter and I know she means it! The WGP says it’s not easy getting members but it can be done! Can we do it? YES, WE CAN!

See you in November. AND don’t forget....keep reading!!!

More later.....Bucky

Step Up To The Challenge

Friendship Chapter No. 122, Hooper Nebraska is **STEPPING UP** to make sure all of their members are cared for and know the activities of the Chapter. Each month members are encouraged to write notes to several non-resident members. (The letterhead includes a picture of the Chapter Officers. The notes are usually written during refreshment time.) One of their members has volunteered to send the notes each month. Members report that they have had quite a few of their members respond to these notes, but even if they do not receive a response, they continue to send notes, assuring their members that even though they do not attend Chapter, they are thought of often. Thanks Friendship Chapter for sharing the "Friendship"!
