friend, a friend who truly cares for our beautiful Order of the Eastern Star. I know that every chapter will welcome them with warm arms. Even though I need to stay on the outside, I will be watching with anticipation as these eighteen District Grand Supervisor's travel across the state. Hopefully we can get answers to her questions.

Plans are well underway for the "stars across the Prairie" Grand Chapter Session in Kearney, May 13-15, 2014. I heard that everyone was pleased with the new venue last year and anxious to return again this year. Did you notice, I just answered one of the above questions? Please note, there will be a choir again this year. Watch for the information and sign up to sing with the Choir. Even If you can only be there for one day, join in singing.

Here is my Special Valentine's greeting to you—

*"Valentine, you blow me away!"*

Until next month, Windy

I wonder how I would do in answering them! How many stated meetings should a chapter hold each year? When is Grand Chapter? Then she was talking about "Raps", I never did hear any music but she must be "rappin" to something! Do you know what she was talking about? **Memory loss that disrupts daily life.** One of the most common signs of Alzheimer's, especially in the early stages, is forgetting recently learned information. Others include forgetting important dates or events; asking for the same information over and over; relying

on memory aides (reminder notes or electronic devices) or family members for things they used to handle on their own. **What's typical?** Sometimes forgetting names or appointments, but remembering them later.
