

Membership Contact Information

The Order of the Eastern Star is a caring fraternal organization. As our membership ages and perhaps no other family member is a member of the Order of the Eastern Star, it may be difficult to contact our members or know of their illnesses or concerns.

Many families are unaware that we have a beautiful Funeral Service for our members.

To enable a Chapter to know of concerns and share the fraternal love of our members, we ask that you provide us with the following information.
