

## Happy Day To Each of You!

Sharing here a video message from the Enduring Hope Grand Family.

We miss each of you during this absence and want to share our greetings.

**The video is hosted on our  
Nebraska Grand Chapter  
YOUTUBE Channel.**

Here is the link to view it:

Hope you enjoy it.

Thank you to our webmaster for building our YOUTUBE Channel. We encourage any chapter, committee, or member that would like to create a video to do so. Then communicate with our webmaster Kerri Straub and she will direct you to upload so our Channel can host your video.

The link to the video (and others as they are created) will be posted to our OES website, shared on our Facebook page and emailed to Worthy Matrons, Worthy Patrons, Secretaries, Supervisors, Committees, Past Grands. We will include the link in the next OES News mailing which also goes to Grand Representatives and a few other courtesy contacts. ***It is our desire that each member knows how much we miss them, so please feel free to share as you can. Reaching all of our members and assisting them with the technology to view the video is daunting, but we hope to reach as many members as possible.***

Also we have a **NEW SNAPPISH ACCOUNT** where all Nebraska members can upload/download and share photos. There have been a number of members speak up and ask for this opportunity to share Grand Chapter photos and their own Chapter photos as well. I think it would be helpful when people upload photos into a new folder that they are labeled with the YEAR and a title that helps people know whether they are GRAND CHAPTER SESSIONS and events, or subordinate Chapter events. Hopefully this will prove to be a great way to share our history and our future. To access the SNAPPISH ACCOUNT LOG IN INFORMATION and Password - please email the Grand Chapter office.

Thank you all again! Stay safe, healthy and joyful! AND please stay in touch!

Star Love and with great expectations,  
Karan and Bruce
